COUNTY OF ISLAND)

The undersigned officers designated by law as constituting the Canvassing Board for the County of Island, State of Washington, hereby certify that this is a full, true and correct copy of the Abstract of Votes including the cumulative results, precinct results, and a reconciliation report of votes cast at the Special Election of February 9, 2010 in Island County, State of Washington; and that the following are the true and reconciled numbers of voters and votes counted.

WITNESS our hand and seal this 24th day of February 2010.

CHAIR, BOARD OF COUNTY
COMMISSIONERS

ISLAND COUNTY AUDITOR OR CHIEF DEPUTY

PROSECUTING ATTORNEY

Special Election of February 9, 2010
Report to the Canvassing Board at Certification

1. The equipment used to tabulate the ballots consists of the HART scanner and software. This system is certified for use in Washington State by the Secretary of State. The programming for this election was done by the election department. A logic and accuracy test was performed.
2. All ballots were stored and locked in a secure area, both prior to the election and afterward
3. All absentee ballots were processed according to statute. Experienced staff verified all signatures.
4. All ballots believed eligible for counting have been counted. We encountered no machine problem.
5. Results were reviewed for anomalies by Loann and Anne LaCour, Chief Deputy Auditor.
6. The abstract report contents were checked to be sure of the following:
 - a. That the precinct count was included on the report.
 - b. That the report included the precinct count in the total at the bottom of the page.
7. There were unusual ballots that were brought to the attention of the canvassing board being no signatures, postmarked too late, mismatched signatures, and cancelled voters.
8. Ballot count reconciliations were performed.
9. During the signature verification process, two signatures were marked and coded with a no match, but were not pulled before going to the first review team and therefore ballots were processed and counted. In reviewing the ballot accountability process this was discovered and because the ballots were processed the empty envelopes were found and letters of mismatched signatures were sent to the two signatures in question. One person responded to the letter and updated their signature but the other one is still to be updated. This means that the number of ballots counted and the number of voters given credit will be off by one. The ballot will not have an impact on the outcome of the election. [The procedures have amended to verify that the correct number of envelopes are pulled.]

Anne LaCour, Chief Deputy Auditor

Loann Gulick, Elections Supervisor
