

Personal Protective Equipment for purchase through online vendors

Below is a list that Island County has compiled of some of the possible resources for Personal Protective Equipment (PPE) (such as masks, gloves, face shields...). This list is by no means an endorsement or guarantee of the products received. Island County does not receive any compensation for including names on this list. While we make every effort to ensure that resources are reliable we take no responsibility for the products quality, availability or any issues involved in shipping.

Gloves (nitrile, disposable, exam, etc.):
