Island County Website Upgrade to CivicPlus

Presentation March 1, 2023 | Board of Island County Commissioners

Project Overview

- Website migration from SharePoint to CivicPlus
- Goal – improve functionality for constituents
 - Make it easy - more fillable forms
 - Better search
 - Meeting/calendar discoverability
 - Improve Accessibility
- Project – November 2022 – May 2023
 - Includes all departments and elected offices

Website Look and Feel

- Template based on how users interact with the site
- Prominent navigation based on usage
- Transactional needs more prominent
 - Pay Taxes, Apply for a Permit, etc.
- Elevate meetings/calendars to become more discoverable

Content

- Content clean-up is in progress
- Department-by-department coordination
 - Edit content to become more relevant
 - Delete extraneous items
 - Format to improve consistency
 - Align with style and accessibility guidelines
- Content Migrated – Feb 17 CivicPlus moved content to new templates

Working with Departments

- Regular communication with department delegates
- Expectations - ensure everyone is aware of content needs and the timeline
- Continue to build new content
- Train employees to update their portals (April)
