REVENUES
FUND SUMMARY

Island County finances are organized into over 50 separate funds. Each fund acts as a separate unit for accounting and budgetary purposes. A fund is a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or fund balances. Funds allow the County to separately budget and account for revenues that are restricted by law or policy to a specific use or purpose.

ALLOCATION OF OVERHEAD COSTS INTO CURRENT EXPENSE

The overhead administrative fee from non-general funds to the Current Expense Fund (aka General Fund) is a payment for various services provided by the general fund. The amount of each year's overhead administrative fee is calculated by multiplying non-general fund expenditures less any interfund/dept. amounts by the most recent Federal Indirect Cost Allocation Percentage Rate (as prepared by the Island County Auditor's office). This maintains an appropriate balance between resources allocated for direct services to the public and those allocated for administration.
