2023 Highlights

EDC is a Program Partner
along with Skagit Valley
College, Sno-Isle Libraries
& Whidbey Institute

3rd annual cohort graduated in May 2023!

- Transformative Destination Program started in early 2022: improve host, traveler, community, and environmental well-being and help them flourish
- Moving to the next phase

Time to Reimagine Travel and Tourism

Embrace Whidbey and Camano Islands - an invitation to:

- Build a flourishing future for the destination
- Connect with the community in crafting the visitor experience

“This shift in thinking from ‘how do we bring people here,’ to ‘who are we and how do we connect with people coming here’ is at the heart of regenerative tourism,”

Mona Campbell - Kristoferson Farm

- EDC's EEI is continuing, stronger than before
- Our EEI got a boost this year with the award of a grant
- We just hired a part-time person whose primary focus will be on the EEI

- Island Regional Transportation Planning Organization (IRPTO) is holding a public meeting to collect input. (EDC is a member of its Technical Advisory Committee).

New Programs and Projects

Washington State Department of Labor & Industries

- EDC entered into 1-year agreement with L&I to provide outreach, education, and assistance to Island County small businesses and nonprofits
- Outreach and L&I education via email and social media
- Assistance via 1:1 meeting and sharing of L&I information
- Speakers on workplace rights and strategies for injury and illness prevention

- EDC awarded grants to 5 Island County businesses grants impacted by natural disasters for a total of **\$135,557**
- Thanks to a contract with Commerce on the Disaster Relief Grant program for which we received funds to disperse

“This project was supported by Grant No. SLFRO002 awarded by US Dept. of Treasury. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the US Dept. of Treasury. Grant funds are administered by the Statewide Disaster Relief Grant, Washington State Department of Commerce.”

EDC is heading up development of an Island County Comprehensive Economic Development Strategy (CEDS)

Chris Michalopoulos, Executive Director
Port of Coupeville
P.O. Box 128
Greenbank, WA 98253-0130

Dear Mr. Michalopoulos,

Island County strongly supports The Port of Coupeville's project to rehabilitate and stabilize the Historic Coupeville Wharf. The Coupeville Wharf is an iconic piece of history depicting America's westward expansion, Washington's sea faring days, and the history of transportation. It is a symbol for our county of our illustrative past and the future of our community. It is imperative to ensure that it is here for generations to come. Because of climate threats and the location on the waters of Penn Cove, our mission to protect the Port of Coupeville wharf makes this difficult and even more urgent.

As part of Ebey's National Reserve and Maritime Washington National Heritage area, the wharf is the last remaining structure of the late 1800's and early 1900's mosquito fleet era. It is now an integral part of the community and one of the most visited historic assets for tourism in Island County. The new roof was installed in 2023, and the long-awaited piling and cap project that is in progress are all setting up the wharf to be preserved for generations to come. Stabilizing the walls, replacing the wooden exterior, windows and doors are the next step. This work will strengthen the wharf and in the near future, allow the structure to be raised to protect it against the rising sea levels.

We are eager to work with the Port to promote the continued rehabilitation of this beloved symbol of our history of early transportation and economic growth in the community. We urge the National Park Service to grant the Port of Coupeville's application for the Save America's Treasures Grant.

Sincerely,

Janet St. Clair, Chair
Island County Commissioner

MEMORANDUM

December 20, 2023

TO: Board of County Commissioners – Island County

FROM: Fred Snoderly, Assistant Director, Public Works

RE: Solid Waste Uncollectible Debt Write-Off

Each year the Solid Waste Division experiences some revenue discrepancies and at the end of the year a write-off is performed.

The uncollectible debt is the result of customers non-payment or bad checks. Multiple efforts are made to rectify the debt. The lost income is a small percentage of total revenue and has little impact on the overall revenue stream.

Attached is the list of the debt due to checks or non-payment of temporary accounts that need to be declared uncollectible by the ICBOCC.

The write off requested is \$2,148.00 and is for the year 2023.

Attached: Solid Waste Dept. Uncollectible Debt Write Off Approval.
