

6 EASY STEPS TO STAY SAFE FROM

COVID-19

1

Wash your hands...

frequently, with soap and water or using an alcohol solution.

2

Keep your distance...

of at least 6 feet away from others, especially those that show symptoms of flu.

3

Avoid touching...

your mouth, nose and face with your hands.

4

When sneezing or coughing...

cover your mouth and nose with a disposable tissue or use your upper sleeves, not your hands.

5

Vaccinations...

continue to wear your mask even after you have been vaccinated.
