

## NAS Whidbey - NAVAL HEALTH CLINIC OAK HARBOR

COVID vaccination eligibility is for all Tricare Beneficiaries *6 months* and older!

NHCOH is currently providing the Pfizer and Moderna COVID-19 vaccine to ALL of their TRICARE beneficiaries, age 5 years and older and Booster shots to anyone 16 and older.

All vaccines are provided on a walk-in basis and are for Active Duty and their Family Members as well as Retirees and Family Members of Retirees.

### Vaccines (to include COVID), are given on a walk-in basis during the following times:

1. **Moderna (Spikevax):** M-W-F Walk-in **0730-1130** & 1300-1530 ~ Remember your CDC COVID-19 Vaccination card.
2. **Comirnaty (Pfizer-BioNTech):** M-W-F **ONLY AVAILABLE TO ACTIVE DUTY MEMBERS** Walk-in **0730-1130 and 1300-1530** ~ Remember your CDC COVID-19 Vaccination card.
3. **Pediatric Pfizer Covid-19 Vaccines** (for children enrolled to NHCOH)  
Mon-Wed-Fri Walk-in 0730-1130 & 1300-1530
4. **All other Vaccinations including FLU (Flu vaccine not available until the fall):** Daily Walk-in **0730-1130 / 1300-1530** ~ Remember Shot Cards for kids

**NOTE:** Due to current limited stock of **Comirnaty (Pfizer-BioNTech)**, 12 y/o and older, vaccine in this age range is limited to **ACTIVE DUTY PERSONNEL ONLY**. If you are not active duty, and specifically desire the Comirnaty (Pfizer-BioNTech) vaccine, there are multiple community options. We offer the **Moderna (Spikevax)** vaccine to **ALL BENEFICIARIES** ages **18 and up**.

Vaccination with a COVID-19 vaccine, to include a booster dose, remain the best tool to protecting against COVID-19 (to include Omicron) and limiting severe disease in those infected. Tools that have been used throughout the pandemic (masking, social distancing/telework, testing and vaccinations) remain effective when properly used.

If you have questions or concerns regarding vaccination, please contact your Primary Care Provider or the Immunizations Clinic at 360-257-9591.

### **Have COVID symptoms or need a COVID Test?**

Our process to be evaluated for any COVID symptoms / Cold symptoms / Flu symptoms:

Call our centralized booking resource PSMAC: 1-800-404-4506 or the Nurse Advice Line (NAL) 1-800-874-2273 they will book you an appointment to speak to an RN who will assist you with an in-person appointment, COVID testing or both.

Remember, for COVID testing, we only call you back with POSITIVE test results (Due to increased demand for testing, it may take 5 days for any results - positive or negative.) Once received, your test results can be seen in your MHS GENESIS Patient Portal. If you would like a copy of the MHS GENESIS Brochure e-mailed to you for log-on instructions, contact Trish Rose at [patricia.a.rose.civ@mail.mil](mailto:patricia.a.rose.civ@mail.mil)

Please call 911 if you have severe symptoms such as severe difficulty breathing, confusion, too weak to stand, or other life-threatening concerns.
