Meeting ID#: 199 940 778

Call in: (415) 655-0001

1:00 – 1:10 Introductions/Announcements

1:05 – 1:15 Update on Request for Proposals for Sedimentation and Hydrology Study

1:15 – 2:30 Task Force Meeting Agendas and Schedule Planning (see schedule spreadsheet sent with this agenda)

In order to assure we make good use of your time over the next year and a half:

- Brainstorm what topics/information you (the Task Force) want and need in order to discuss potential solutions to drainage concerns.
- Scope agendas for future meetings – quarterly meetings until sedimentation/hydrology study starts producing results?
- Larger Community meeting planning – do we need one this summer? What information would your neighbors like to know so far?

2:30-3:00 Wrap up
