# Natural Resources Announcement

January 11, 2022

## [The 2022 WRIA 6 Salmon Recovery Grant Round is Open!](#)

The [Island Salmon Recovery Lead Entity](#), managed by the [Island County Department of Natural Resources](#), is soliciting salmon recovery project proposals for Water Resources Inventory Area 6 (Island County) nearshore and watersheds under the Washington State Salmon Recovery Act.

Projects are being solicited for 2022 [Salmon Recovery Funding Board](#) (SRFB) and 2023-2025 [Puget Sound Acquisition and Restoration](#) (PSAR) funding, as well as the Puget Sound Partnership's 2023-2025 [PSAR Large Capital Projects List](#).

Project sponsors are strongly encouraged to contact the Island County Lead Entity Coordinator (see contact information below) to discuss their intention to apply and for important application process details. In addition to the Island County Lead Entity requirements, they should review the state [Salmon Recovery Grant Manual 18](#) for eligibility requirements and project details.

### [Letters of Intent are due January 15](#)

[Letters of Intent](#) are required and due to the Lead Entity Coordinator by **January 15, 2022**. A PRISM project number is not required for this initial step.

Visit the [Island County Salmon Recovery SRFB Grant Funding](#) page for more information, including the [Request For Proposals](#) and [2022 Timeline](#).
