DEMOLITION PERMIT APPLICATION

Permit # _____

Provide a plot plan showing all existing structures, the structure proposed to be demolished, and all underground tanks.

Examples of typical site plans are available on our website at www.islandcounty.net/planning on the

What was the use of the structure? _____

Is your structure larger than 120 sq. feet? ___ Yes ___ No

If yes, you must contact Northwest Clean Air Agency (NWCAA) to see if a permit is required. NWCAA can be reached at 360-428-1617 or www.nwcleanair.org this website also provides information related to Asbestos and its disposal.

Is the structure in the Ebey's Landing National Historical Reserve? ___ Yes ___ No
(If yes see Island County Code 17.04.090 for additional requirements)

Are there any underground storage tanks associated with the structure? ___ Yes ___ No

If yes what are the tanks used for? _____

Describe your plans for the tanks. _____

Is there a septic tank for this building? ___ Yes ___ No

Describe your plans for the septic tank. _____

Describe how the debris from the structure will be disposed of. _____

***Co-mingled material from a demolished structure that is not separated on site for recycling is considered solid waste and must be disposed at County designated transfer stations at Coupeville or Camano unless other arrangements are specifically made with the County Solid Waste Division. An exception would be if co-mingled construction debris (CD) is directed to a permitted/certified CD recycling facility.**

Describe how the site will be restored after the structure is removed. _____
