### **MEMORANDUM**

**TO:** Builders, Contractors, & General Public

**FROM:** Island County Planning and Community Development

**DATE:** March 27, 2020

**SUBJECT:** Building Inspections Update – Stay Home, Stay Healthy Proclamation (20-25)

In compliance with the Governor’s Stay Home, Stay Healthy Proclamation (20-25) and in protection of the health and safety of Island County staff, building inspections are limited to the following:

- Construction related to emergency repairs and projects that ensure structural integrity.
- To prevent spoliation and avoid damage or unsafe conditions.

All construction activity must meet social distancing and appropriate health and worker protection measures.

Permits that are due to expire and have inspections postponed due to the COVID-19 emergency declaration and the Stay Home, Stay Healthy Proclamation (20-25) will be held open until the inspections can be performed safely.

Our priority is to protect the health and safety of our employees and the public.
