

Enclosure 3A

**Chapter 9. Utilities
Preliminary Draft 1.0**

Change Matrix

(GMA Item #12018)

Page Blank for Double-Sided Printing

Change Matrix – Utilities Element – 5/16/16

New Number	Old Location	Old Number	Nature of Changes	Subject Matter/Key Words
Goal 1	Utilities pg. 9-4	1	None	Facilitate utilities LOS/Rates to accommodated development
U 1.1	Utilities pg. 9-5	f	Relocated	Communicate with the WUTC and subsequent utilities
U 1.2	Utilities pg. 9-5	1	Relocated	Utilities should coordinate with the Comp Plan
Goal 2	Utilities pg. 9-4	2	None	Utilities should be environmentally sensitive, safe, reliable, economical and aesthetic
U 2.1	Utilities pg. 9-4	a	Relocated, edits	Co-located utilities
U 2.2	Utilities pg. 9-4	b	Relocated, edits	Utility corridors for trails, open space and recreation
U 2.3	Utilities pg. 9-4	c	Relocated, edits	Inform utilities about road construction
U 2.4	Utilities pg. 9-4	d	Relocated, edits	Make land available for utilities
U 2.5	Utilities pg. 9-5	e	Relocated	Coordinated land use and facility planning to site utilities in ROW
U 2.6	Utilities pg. 9-5	g	Relocated, edits	Design practices to minimize outages
U 2.7	Utilities pg. 9-5	1	Relocated	Encourage conservation of resources
U 2.8	Utilities pg. 9-5	2	Partitioned, relocated	Utilities should not be in sensitive areas
U 2.9	Utilities pg. 9-5	2	Partitioned, relocated, edits	Electromagnetic radiation concerns exist
U 2.9.1	Utilities pg. 9-5	a	Relocated, edits	Site with respect for natural features, sensitive areas, and water
U 2.9.2	Utilities pg. 9-5	b	Relocated, edits	Monitor utility health effects
U 2.9.3	Utilities pg. 9-6	c	Relocated	Protect the public from known health hazards
U 2.10	Utilities pg. 9-6	2	Relocated	Use new technologies
Goal 3	Utilities pg. 9-4	3	None	Process permits in a timely manner
U 3.1	Utilities pg. 9-5	a	Relocated	Implement timely permit process
U 3.2	Utilities pg. 9-5	b	Relocated, edits	Allow for maintenance of utilities
U 3.3	Utilities pg. 9-5	c	Relocated	Use GIS to help with permitting
U 3.4	Utilities pg. 9-6	1	Relocated	Flexible permitting on new technologies
Goal 4	Utilities pg. 9-4	4	Edits	Improve county audio/visual communications

New Number	Old Location	Old Number	Nature of Changes	Subject Matter/Key Words
Goal 5	Water Resources pg. 2-13.2	Goals	Edits	Manage and protect grownwater withdrawals
U 5.1	Water Resources pg. 2-13.2	2	Revisions	Water systems work with Health, DOH and DOE
U 5.2	New	New	New	Refers to NR policy on protecting quality and quantity of groundwater resources
Goal 6	Water Resources pg. 2-14	B	Relocated, revisions	Mange water systems to protect groundwater
U 6.1	Water Resources pg. 2-14	1	Revisions	Provide incentives to conserve water
U 6.2	Water Resources pg. 2-14	3	Edits	Work with State agencies to update other water resource plans
U 6.3	Water Resources pg. 2-14	4	None	Development must not out strip known water supplies
U 6.4	New	New	New	Refers to NR policy on limiting development where groundwater supplies are limited
U 6.5	Water Resources pg. 2-14	6	None	Provide adequate groundwater analysis
U 6.6	New	New	New	Refers to NR policy on mapping
Goal 7	Water Resources pg. 2-15	Goal	Revisions	Develop in a manner using best information regarding water services
U 7.1	Land Use pg. 1- 152	E	Edits	Implement CWSP
U 7.2	Water Resources pg. 2-15	A	Edits	Prohibit overlapping water systems
U 7.3	Water Resources pg. 2-15	B	Edits	Meter and document water usage
U 7.4	Water Resources pg. 2-15	C	None	Provide adequate water for domestic and fire protection use
U 7.5	Water Resources pg. 2-15	G	Revisions	Water conservation education to water utilities
U 7.6	Water Resources pg. 2-15	J	None	Restrict development unless adequate water
U 7.7	Water Resources pg. 2-15	K	None	Prior to plate, show water availability
U 7.8	Water Resources pg. 2-15	L	Revisions	Encourage reuse of water, recharging aquifers and alternative water storage
U 7.9	Water Resources pg. 2-15	M	None	Incentives for conserving water
None	Water Resources pg. 2-14	D	Removed	Unnecessary - development regulations and land use regulations must be followed
