

A Dream to Share

Gary L. Putney

November 11, 1939 - November 13, 2006

The beauty of the forest, riding his big white mule, "LuLu", Backcountry Horsemen and trail work were Gary's passions.

He helped develop and maintain these trails from 1980 until his death in 2006.

His dream was a trail system that would be enjoyed and shared by hikers, dog walkers, bicyclists and equestrians; a place to delight in the woodland wonders and camaraderie with fellow trail users.
