

Whidbey Airpark Light Industrial Zone Access

Project Status

Preliminary engineering is scheduled for 2019-2022. Right of way acquisition is planned for 2020-2022. Construction is scheduled for 2022-2023.

Project Description

Provide public access to the light industrial zoned portion of Crawford Road (private). Funding for the project is expected to be supplemented heavily with grants and private partnerships.

Project Benefits

Economic Vitality: The new access would benefit the general public by providing public access to a light industrial area. Better roads could encourage more businesses to locate in the zoned area; more businesses mean more living-wage jobs and more income to the community.

Cost: \$6,864,000
