Meeting began at 1:05 PM

1. Introductions and Member Updates

Susan explained the meaning of RTPO and discussed the members of the Island RTPO.

2. Data Collection Presentation

Marissa Milam, of Fehr & Peers, gave a presentation detailing 1) discussions with agencies over the past few months, 2) data gathered, 3) mapping and graphic representation samples, and 4) options for further work. Six focus areas were addressed:

- Freight
- Safety
- Accessibility/Mobility
- Household Surveys
- Speed & Congestion
- Origin/Destination

3. Roundtable

TAC members discussed strategic items for next steps. The most prominently noted areas for further analysis included:

- Origin/destination (countywide) with a multi-modal focus

- Any and all data/analysis related to travel through Oak Harbor on the SR 20 Corridor and surrounding local streets
- Speed & collision data
- Freight

4. Next Steps

Susan will work with the consultant team to create a menu of possible next steps, along with costs associated with each piece. The list will be emailed to TAC members prior to the January meeting. TAC members will be asked to vote on their top choices. Based on TAC priorities and funds available, Susan will provide guidance on next steps to the consultant team by the end of January.

5. Adjourn

The meeting adjourned at 2:05 PM

Next Regular TAC Meeting: January 14, 2020
