Household Hazardous Waste Disposal

If the label says CAUTION, WARNING, or DANGER
Please dispose of properly

Island County’s HHW Facilities:
- Safe & Convenient
- Free Disposal of Residential Hazardous Waste

Household Hazardous Wastes include Oil Based Paints, Solvents, Batteries, Fluorescent & HID Lamps, Spa Supplies, Lawn & Garden Products, Automotive Products, Strong Cleaners, & Hobby Chemicals. These products are often Flammable, Toxic, Corrosive, Oxidizing, and/or Environmentally Hazardous.

LARGE RESIDENTIAL LOADS of more than 10 gallons and eligible BUSINESS CHEMICALS are accepted by Appointment at the Coupeville & Camano locations only. Phone 360-679-7386.

Automotive Products
Gasoline & Fuels
Hydraulic, Gear & Motor Oils
Road & Marine Flares
Antifreeze

Fluorescent Tubes & Bulbs
Televisions, CPUs, & Monitors
Batteries
Mercury Thermometers

Oil-Based Paints, Stains, & Solvents

These materials ARE NOT ACCEPTED at the Household Hazardous Waste Collection Facility. Please see back page, www.recyclewhidbey.net or phone 360-679-7386 for more information.

Explosives
Ammunition
Empty Containers
Latex/Acrylic Paint
Fireworks
Hazardous Waste is dangerous to people, pets and the environment. Please:

Tips for Transport:
- Keep products away from children and pets and out of the vehicle passenger cabin. Secure lids and the load to prevent shifting and spills.
- Keep products in labeled containers.
- Never mix different products together.
- Place items in leak-proof tubs. Place leaking containers in a separate tub or bucket.
- Secure fluorescent lamps to prevent breakage and mercury release.
- Large loads of more than 30 total gallons and containers larger than 5-gallons are accepted at the Coupeville and Camano sites by appointment only.

**Sharps (hypodermic needles) must be in a commercial sharps container OR in a screw top PETE (plastic #1) container with the lid secured with tape. Residential sharps accepted at all solid waste facilities, waste disposal fees apply.**

**Latex/Acrylic paint is non-hazardous. Check with local thrift stores for acceptance of usable latex. Thicken unwanted latex to a non-pourable consistency with kitty litter, sawdust, other absorbent material or commercially available paint hardeners before disposal as regular trash at County solid waste facilities. Latex cans with up to an inch of paint remaining may be left available paint hardeners before disposal as regular trash at County solid waste facilities. Latex/Acrylic paint**
