### Tips for Transport:

- Improperly packaged and transported Household Hazardous Waste is dangerous to people, pets and the environment. Please:
  - Keep products away from children and pets and out of the vehicle.
  - Keep products in labeled containers.
  - NEVER MIX different products together.
  - Place items in leak-proof tubs. Place leaking containers in a separate tub or bucket.
  - Secure fluorescent lamps to prevent breakage and mercury release.
  - Large loads of more than 30 total gallons and containers larger than 5-gallons are accepted at the Coupeville and Camano sites by appointment only.
